

Signature High Yield Bond Fund

Geof Marshall
Vice-President and Portfolio Manager

Signature High Yield Bond Fund provides income and capital growth by investing in a diversified portfolio of global high-yield corporate bonds and other income-producing securities, such as convertible bonds and leveraged loans.

Objective: To obtain income and capital appreciation through exposure to high-yield corporate bonds and other income-producing securities throughout the world.

Portfolio advisor: Signature Global Advisors

Lead manager: Geof Marshall, Vice-President and Portfolio Manager

Geof leads a team responsible for the high-yield bond, convertible bond and leveraged loan assets in all Signature income portfolios, including Signature Diversified Yield Fund, Signature High Income Fund, Signature Corporate Bond Fund and Signature Income & Growth Fund. As co-manager of Signature High Income Fund, Geof has been the recipient of three Canadian Investment Awards and three Lipper Awards. He has over 14 years of experience analyzing, managing and trading high-yield bonds.

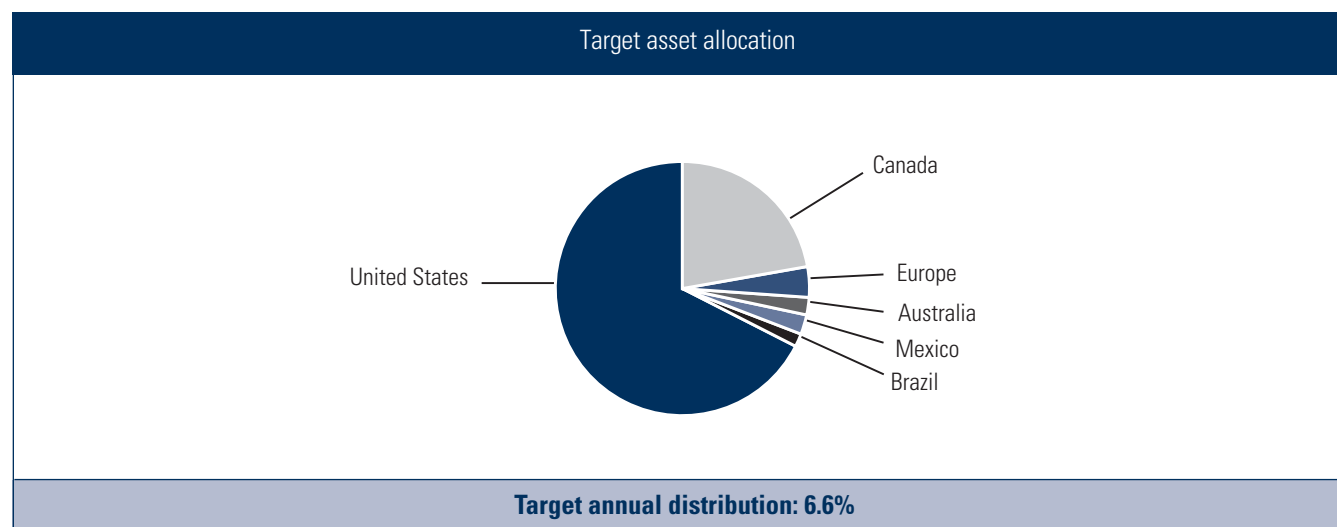

-
- Main benefits:**
- Enhanced yield compared to traditional income investments.
 - Tax-efficient monthly distribution in the form of capital gains or return of capital.
 - Exposure to a diversified portfolio of domestic and global high-yield bonds, rated BBB or below.
 - Diversification by sector.
 - Management expertise of award-winning Signature Global Advisors, one of the largest investors in high-yield securities in Canada.
 - Active currency hedging.

Suitability: Suitable for investors seeking an income, who can invest for the medium term and tolerate low to medium risk.
