

CI Income Opportunities – Fund Highlights

CI Investments offers a comprehensive selection of income funds to meet investor needs. These range from traditional bond funds to diversified income funds that offer enhanced yields by investing in higher-yielding asset classes, such as high-yield corporate bonds, infrastructure, REITs and other real estate-related securities. To assist you in choosing the appropriate funds for your clients, we present this monthly communication featuring highlights of seven key income offerings. This piece will be e-mailed to you on a monthly basis. Please contact your CI sales team to ensure delivery. We hope you will find it useful and informative in discussions with your clients.
